**IMPORTANT! SET UP YOUR ACCOUNTS for first time use in the following order:**

1. ctcLink account activation followed by
  2. MySeattleColleges account initialization
- NOTE - ctcLink ID & the password you set will be needed for your MySeattleColleges account login/setup.

## Setup Instructions

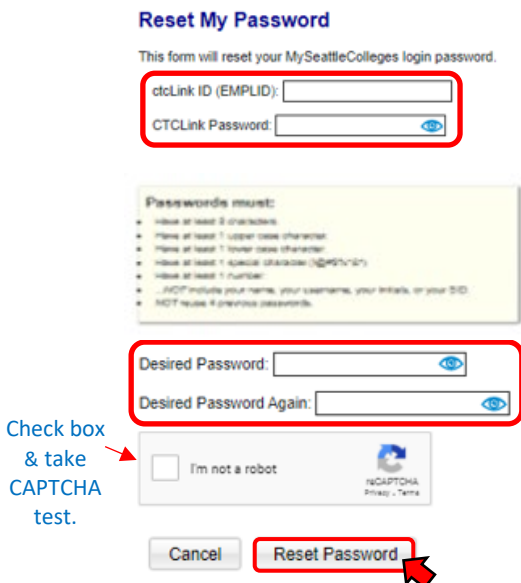

### Activate “ctcLink” Account

- You'll need your ctcLink ID (emplid) number.  
Go to <https://myaccount.ctclink.us>
- Click the “Activate Your Account” link to set your security questions & a ctcLink password.
  - **Your ctcLink ID (emplid) will be displayed.**
  - *Make note of your ctcLink ID & password, needed for MySeattleColleges account setup.*

### Initialize “MySeattleColleges” Account

- You'll need your ctcLink ID (emplid) number & password.  
Go to <https://tools.seattlecolleges.edu>
- Click the Reset My Password button on tools page.
  - Enter ctcLink ID & ctcLink password.
  - Create your password for MySeattleColleges account.
  - Click “Reset Password” & **your username will be displayed.** (Username example “First.Last”)

Check box & take CAPTCHA test.
