

# How to Join a Zoom Meeting & Selecting Breakout Rooms

**Installing the Zoom Application** (For *Self-Selection* breakout rooms, desktop or mobile version 5.3 or higher is required. Self-selection is not enabled in the browser version of Zoom.)

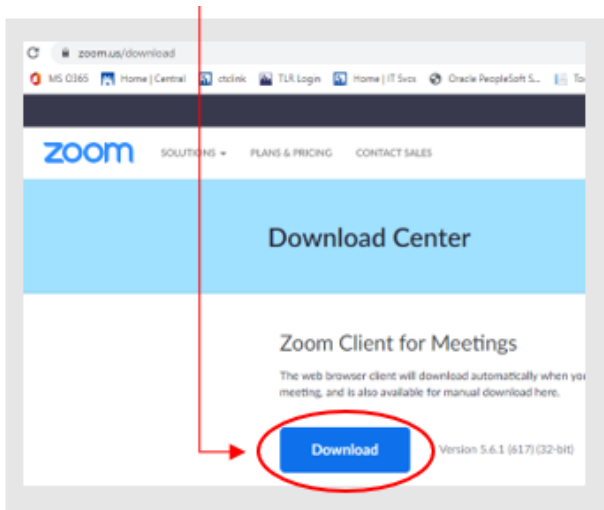

*If you already have Zoom installed go to Step 1, pg. 2 to join from a meeting invitation/link.*

♦ **For PHONES download the Zoom Cloud Meeting App**

Android from Google Play Store, I-Phone from Apple Store

♦ **For COMPUTERS Zoom installation, Launch & Join a meeting** by entering code (& password if required)

1. From browser go to URL [Zoom.us/download](https://zoom.us/download)
2. Click the **Download** button (below 'Zoom Client for Meetings')

3. Locate & click to open the downloaded 'Zoominstaller.exe' file. It may take a minute to load.

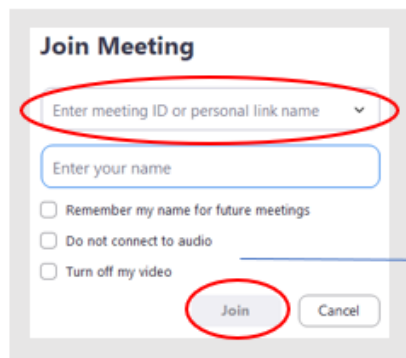

4. Click the **Run** button to launch Zoom

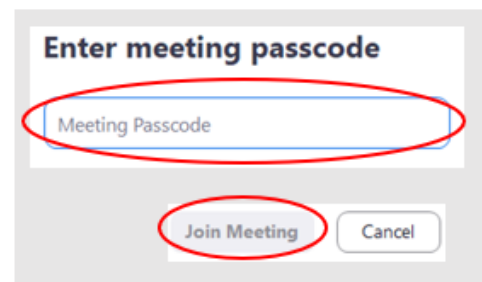

5. Click the **Join a Meeting** button

6. Enter the **meeting ID** & your name.  
You may set Audio/Video to on/off here or in the meeting.

7. Enter **passcode** (if prompted) & click the **Join Meeting** button.

When in the meeting you can toggle the audio or video buttons on/off.

You will be connected to the Zoom meeting (if the host has started the meeting).

See page 2 for "How to Join Breakout Rooms" while you're in the meeting.

# Join Zoom Meeting from a Meeting Invitation/Link

✓ Zoom application should be installed on your device. (See page 1 for installation steps)

1. Click the meeting invitation link and Zoom will automatically launch.

example meeting invitation/link

2. Click the **Open Zoom Meetings** button

3. Click the **Join with Computer Audio** button. You will also have the option to turn audio/video on/off in the meeting.

You will be connected to the Zoom meeting (if the host has started the meeting).

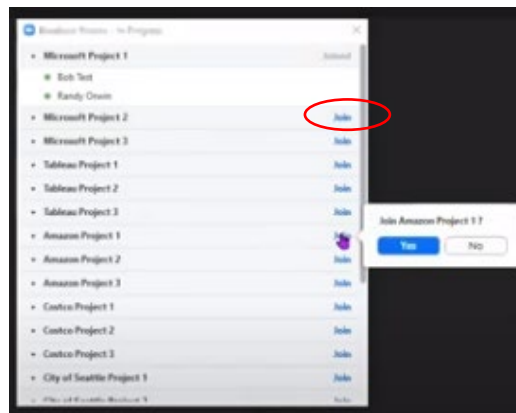

# Join Breakout Rooms while in a Zoom Meeting

You can **self-select** a breakout room to join, if host has enabled this feature. **NOTE:** Participants need to be on Zoom 5.3 or higher to *self-select* breakout rooms. This option is not enabled in the browser version of Zoom.

1. From the toolbar (bottom of window) click the **Breakout Rooms** button to Join a breakout room. (On Mac click on the buttons bar to display the Breakout Rooms button.)

2. Choose a room from the list by clicking **Join** (right column) (On Mac hover over the blue number to display & click **Join**.) You can click on the Breakout Rooms button at any time to choose a different room to join.

3. Click **Leave Room**

4. Click **Leave Breakout Room** to return to the main session or click **Leave Meeting** to leave the entire meeting.

When the host ends the breakout rooms, you will be notified and given the option to return to the main room immediately, or in 60 seconds.
