

Wifi Printing with Papercut - Seattle Central

Wifi printing currently available only as follows:

– while on campus via Central’s SCWifi – to Central computer lab printers – for black & white printing (color coming soon) – for PDF, GIF and JPG file types only. **(To print Word, Excel etc. files, convert to pdf.)**

1. From Seattle Central campus - Join **SCWifi**, then log in when prompted.

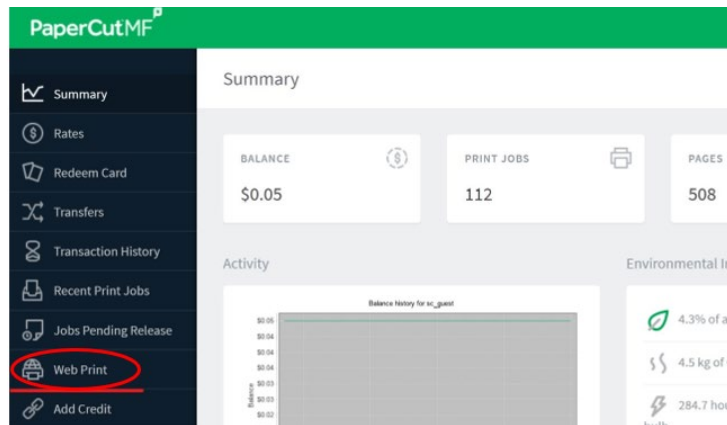

Login with your MySeattleColleges Login. (Firstname.Lastname) If your Login is not yet set up, go to tools.seattlecolleges.edu, and choose 'Get My Credentials' to get started.

WiFi access is provided to support the missions of Seattle Colleges. Login and use of SCWiFi indicates that you accept the terms and conditions of use and understand that this use is subject to relevant college policies, state codes and federal laws. Network traffic is monitored only to ensure proper network functionality and only in specific cases, when required by law. Violation of appropriate use could result in loss of network privileges, and staff misuse can lead to monetary fines and/or disciplinary actions per state and

2. From a web browser, go to centralprinting.seattlecolleges.edu:9191
3. At the Papercut login screen Log in again with your MySeattleColleges.edu credentials.

4. Once you’re logged in, click on **Web Print** on the left side of the screen.

5. Click **Submit a Job**.
6. Click **Upload Documents** on the next screen.
7. On the Upload screen, you can **drag your document into the box, or click Upload from Computer and browse to it**. Remember, you can only print PDF, GIF and JPG files.
8. Once your documents are uploaded, choose **Upload and Complete**. Your job will be sent, and your account will be charged.
9. If you want to send another job, click Submit a Job. When finished sending jobs, close out and pick up your job at the printer in the Computer Lab, room 3148, Seattle Central.
