

MySeattleColleges Account Set-up

Your **MySeattleColleges account logon** is used to access college resources such as email, O365, wifi, computers, Starfish & other online student & employee services. For: account activation, set/reset password & get account information (including ctclink acct info) **log into the MySeattleColleges Tools page** with your **ctclink ID (EMPLID) & ctclink password**.

How to Find your MySeattle Colleges Login Name & Set your Password

You'll need your **ctclink ID (EMPLID) & ctclink Password** and a computer with **internet & web browser**. (Staff need to use another accessible computer, if your office computer needs you to log in.)

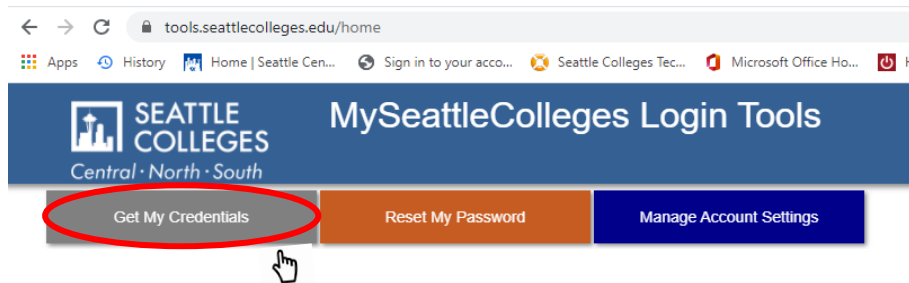

1. On the computer, **open a browser** (such as Chrome, FireFox, Safari or Edge.)

You will now go to the MySeattleColleges Login Tools Page where you can find your login username and set a password for your first time use. **Setting a password initializes your MySeattleColleges account.**

2. **Type the following address** (also called a URL) **into the address bar** (at top of browser window), **"tools.seattlecolleges.edu"** and **press the enter button**.

3. Select the **Get My Credentials** button to request your Login Name.

Get My Credential

This form will retrieve your MySeattleColleges login credentials.

ctclink ID (EMPLID):

Password:

Get My Credentials page opens.

4.
 - a. Enter your **ctclink ID (EMPLID)** number in the ctclink ID (EMPLID) box.
 - b. Enter your **ctclink Password** in the password box. (TIP > click the eye icon to check the numbers you entered)
 - c. Check the "I'm not a robot" box for reCAPTCHA test. *IF a group of pictures appears select the indicated pictures & click the verify button below the pictures.*
 - d. Click the **Show Credentials** button.

The Credentials Success! page opens showing your **MySeattleColleges Credentials**
